“ Thoughts about you today. I miss you and never will forget our close knit love, and how you always wanted to make sure I was ok. Im missing you and I actually could cry, but I will hold back. Because as your sibling I know you'd want me to be strong. Reg texts me everyday. See he's a very good nephew. All the kids are fine. Rest in peace my beloved brother.

Cleother Willis Jr. was my very special big brother and friend. Cleo was one who cared very much for his family and friends. He never leave a typical stranger in need without something to eat. He was just a loving person with compassion and love. I will forever miss talking with him and him always trying to advise me about everything. He wanted me to be happy and to look out for me forever. Missing you still big brother. Rest In Peace now.
