“ To My Cousins Alicia & Clifford Jr.

You both know how much I love you and wish I could be there with you. I love big Cliff. Every since I was a little girl I called him Lionel Richie and he would get on me about that.

There are no words I can say that can bring true comfort at this time so I will let the bible speak for me because God's Word is the source of all true comfort.

Revelation 21:3,4 reads.....

With that I heard a loud voice from the throne say: ?Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.?

God will give you the strength beyond normal to endure this very difficult time. My Deepest Sympathy.
