“ Gwen,
During the short time I have known and worked with you it has become very obvious you loved and cared for your grandfather very much and I'm sure he also adored you. I having been raised by my grandparents understand the lost and emptiness you must feel right now, but you can also take heart for God is going to bless you for your steadfastness and faithfulness towards your grandfather. It is a spiritual fact that if we honor our parents/grandparents He will also honor us. It is the things that we do faithfully from our heart without complaining or motive that touches the heart of God. It is my belief you have touched his heart. You have been a great and loving granddaughter to your grandfather and in the process have build treasures in heaven.

“ God, is still good in our times of bereavement. Gwen, May all the warm and special memories you shared with your grandfather stay with you and bring you comfort through all the days ahead. No matter what tomorrow brings, nothing can change the courage you inspired, the happiness you've given or the inner strength that is so much a part of you. You have done all that any one could have been done for Mr. McGlothlin to extend his life span with joy and happiness. May God continue to pour out His blessings into your life because you gave so unselfishly of yourself to Mr. McGlothlin.

“ You lived a good life, you ran your race and finished your course. God saw you getting tired and put His loving arms around you, and whispered, "Come with me." With tearful eyes we watched you suffer, and we saw you fade away; Though we loved you, we knew you had to go. Your heart stopped beating, your hard working hands were put to rest. God broke our hearts to prove to us, It is He who knows what is Best. Rest in peace Godfather, you've gone the last mile of the way.

“ To the family of Corinthian McGlothlin. We express our deepest sympathies in the loss of your loved one. We pray that God keep you in perfect peace during your time of sorrow. The perfect peace is knowing that, "to be absent from the body is to be present with the Lord", and that we will see "Mr. Mac" again. Stay encouraged and know that God is always in control.
