“ To the Luke Family,
I am sorry to hear of the passing of Allen. I didn't know him that well but from the times I did see him with Corey Richardson at different places in Saginaw and during the high school years, Allen always had a smile on his face. Take comfort in knowing that the Buena Vista Knight Family is with you in this time of grief.
Sincerely your friend in God,
Kay Tafel

“ JoAnn, Sierra and Kandis:

Please know that you are in my thoughts and prayers during this challenging time.

Most will quote that time heals all wounds and God will see you through. Well that is not a cliché; it is certainly true! Lean on the long shoulders of the Lord. He is able to keep your foot from being moved and will keep your mind in perfect peace as long as it remains focused on Him! You are blessed and loved.

“ Faye, Lynn, "Angel" and I join with so many others who knew of Allen and offer our deepest sympathies and prayers to your family. We know that during this time of grieving, God will provide comfort and peace. Allen, being raised in a God-fearing family, touched many lives in a positive way. It's funny how memories come flooding back. I remember attending Vacation Bible School at St. Paul Baptist Church during the Summer. During our break time, the boys would play touch football in the parking lot behind the church. Allen was maybe five or six years old at the time, but he was always excited about playing and reminded me to bring my football back the next day. He had that big smile and hearty laugh even then. This is how I'll remember this young man... being happy and enjoying life! Now, he's enjoying eternal life! May God continue to bless the Luke Family, Allen's daughter and all who love him.
