“ On behalf of the Faith Harvest Church family we offer our condolences and prayers to the family of Cquaton. It is our prayer that the Heavenly Father will impart hope to each of you during this time of sorrow and that God will pour out His Holy Spirit upon you, because He is the true source of comfort. We pray that you will find consolation in the Word of God that says that we are not to sorrow as those who have no hope for the loved one who accepted Christ as Lord is safe with Jesus and the family and friends who also believe can rejoice in the anticipation of being united with their loved one in God's presence. We also pray that during this time of bereavement that you will see the power of God and experience His unfailing Love.

Warmest Regards,
Rev. Ronald Chipp, Sr. Pastor

“ *"Earth has no sorrow that heaven cannot heal"* Though life throws at us unforeseen and trials without understanding we are reminded of the scripture "Come unto me all that are weary and heavy laden, and I will give rest" Jesus is our comfort and our source of strength even in this trying hour, we are praying for the family, and freinds in this difficult season of life, Hold to God's unchanging hand as he will lead you through this storm! Cquaton may have made a transition from his earthly home, but he awaits us in his heavenly! Peace and Blessings to the Holmes/Morris family!

“ *At the rising of the sun and at its going down,
We remember them.*

*At the blowing of the wind and in the chill of Winter, We remember
them.*

*At the opening of buds and in the rebirth of Spring,
We remember them.*

*At the blueness of the skies and in the warmth of Summer,
We remember them.*

*At the rustling of leaves and the beauty of Autumn,
We remember them.*

*At the beginning of the year and when it ends,
We remember them.*

*As long as we live, they too will live;
for they are now a part of us, as we remember them.*

*When we are weary and in need of strength,
We remember them.*

*When we are lost and sick at heart,
We remember them.*

*When we have joys we yearn to share,
We remember them.*

*When we have decisions that are difficult to make,
We remember them*

*When we have achievements that are based on theirs,
We remember them.*

*As long as we live, they too shall live,
for they are a part of us, as we remember them.*

Be strong Shawn...you will always be in my prayers

“ *Cuz, u are turly gonna be miss by me, I will miss u irritating the hell out of me, putting your feet on me, singing in my ear. As we were traveling down the highway back in forth to Grand Rapids singing our theme song by the young bloods, (if you don't give d\$\$m gone throw it up) and u and the twins popping nu-nu in the back of his head the whole ride. Cuz, I could go on and on about the fun we had, but I have decided to wait, until we meet again at that golden gate, cause right now it's so hard to say goodbye!!!
Love Always,
