“ With a heavy heart I am sending my deepest condolences to the family of my dear friend and classmate Crystal. We had been friends since grade school and throughout the years our friendship continued. It is so hard to express how I feel being that Crystal was a friend til the end. I was just down in Vegas with her for her birthday in April. It was hard seeing her suffering, but her outlook on life was always so positive. Crystal I'm going to miss talking and laughing with you. RIH my friend.
