“ To my dearest family, some things I'd like to say...but first of all, to let you know, that I arrived okay.

*My dearest loved one, here on earth,
I saw a tear fall down your face.*

*You didn't see me standing there,
Nor could you feel my soft embrace.*

*But I was standing next to you,
I know you looked around.*

*You seemed to wonder what it was
You thought you heard a sound.*

*Yes my love, it was I,
Who came to check on you.*

*I saw a tear fall from your eye,
I knew you were feeling blue.*

*Even though you cannot see me.
Please know that I am near*

*I am now an angel from above
To brush away your tear.*

*I know each day you think of me
And many times shed a tear.*

*But please just close your eyes
And know that I am near.*

*As I have told you often,
Do not be afraid to cry.*

*It does relieve the pain
Knowing we had to say goodbye.*

*One thing is for certain,
Even though life on earth is over*

*I'm still closer to you now
Than ever I was before.*

*I know you still don't understand
Why I had to leave this earth*

*God doesn't have any secrets;
It's just all planned from our birth.*

*Someday when you have joined me
And meet God at His Throne,*

*It's then you will understand
The questions that have been unknown.*
