“ *Boy time really flew just sitting here thinking about when you used to make those "salty" tacos for me and my sis. That was one of those moments the four of us always laughed about. As i got older i didn't see you as much but I was always concerned about your well being...Rest in Peace now Curley*

“ *Curley you will truly be missed. Though not in our presence, those memories of you will live within our hearts. Remembering all those funny arguments we would have(most of the time you were wrong) but we would laugh 'til we cried. We only part to meet again. So until then R.I.H, Curley Love you much.*
