“ How do you say goodbye to the sister who taught me how to fight and stand up for myself, how do I say goodbye to the sister who taught me to cook and not be a brat lol. How do I say goodbye to the one that kept secret after secret and yet still called me her little brother even after all of these years. The fact is I can't say goodbye because I know I will see my beautiful sister again but in the meantime I will miss her laugh and smile and the gentle way that she took care of all who knew her. See ya later Cynthia Love your little brother Donny Ray.
