“ To Carmen and the entire family. We are saddened by your loss. We know how much you loved your Grandmother, mother, aunt, sister great-grandmother. God saw her frail weak body and because he loved her so much he decided it was time for this beautiful Rose to be plucked from this earthly garden and take her place in his beautiful garden where she will be renewed and healed of all her hurt and pain. She can walk around heaven and enjoy a wonderful life with God. JUst remember she is waiting for the rest of you and howmuch she loved you all. our prayers are with you. Love to all the family. Keep trusting in God and he will see you through.

“ Dear Granny Daisy,

I would like to thank you for creating the Hamilton family. When we all were born God decided to give us all the same traits as you. Those traits include love, care, and kindness. But let's not forget the way each Hamilton knows how to speak the truth no matter what. So here's a scripture for the family to ease the pain. . .

John 14:1-3

"Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am"
