“ *I would just like to let the family know that they are in my prayers. I was very saddened when I heard the news of what happened, but I know Mario is in a better place. A place where there is no suffering, a place where everyone is loved. So I send this as a celebration and remembrance of his life, not death. B/c he didnt die, he just moved on to the other side to be with God where we all belong. Life in this body is the shortest known, but to spend eternity with God is what we all desire. Take comfort knowing that he is with God and will be taken care of forever.*

“ Dear Josie

I can't express my deepest feeling right now because you know how close he was to me. I know that God has him within his loving arms and surely, everything will be alright. The pain and sorrow we now share will soon pass. The fond memories together will always last.

Remember, through God we can be strong. Love

“ *I just want to say you will always be in my heart as a big cousin to me even though we aren't real family. I'll remember all the fun we had coming up together playing on carter street from curb ball up on till we went our seperate ways but was still cool when we seen each other. I wish we could of hung out more but I've got many memories of us from years back upon till now.*
