“ *To Damien's mother and family:  
I knew Damien through Delta College, where we had many discussions about how to make the world a better place. He was always thoughtful, curious, and passionately engaged in our studies and the work we planned to do and were starting to do. He wanted to learn and connect with people, but he was always humble, never wanting to put himself in front of anyone else. I will miss his mind and spirit and, of course, the smile he always wore everywhere. I was so sad to learn that he had passed, and so comforted to know that he is at rest somewhere better than this.*

“ To the Family of Damien Moore:

*On behalf of the staff of myself, John Neal and the Delta College Student & Civic Engagement Office, I would like to extend our heartfelt sympathy you in the transition of an AWESOME YOUNG MAN, who would always stop by our office and say "Hello". Damien who not miss a day that he was on campus to come into our office, whether to speak to myself (Ms. Sylvia), John Neal or to check out a XBOX game. He would also always check with us to see if were going to watch the fights that may have been coming that night or the weekend.*

*I want the family to know that he was one of my favorite students here on campus and my heart is sadden but I know that he is resting in the arms of Jesus.*

*May you find comfort in the memories you shared with him and may God be your strength as you endure the days ahead.*

*With Deepest Sympathy,
