“ If love from your Sister/Best friend Penny could have saved you, you would not have left us. Uncle our circle is getting smaller. You were truly a rose among the many thorns. Ti'Kyra and I loved you so much, but you knew that. When she saw you last week she knew that you felt her presence as she held your hand. Our hearts are bittersweet because we no longer have you in the flesh, but our hearts are also filled with joy in knowing the pain you had to endure is no more. Take your rest from all your troubles and live in continual peace. We love you and will see you on the other shore. ❤️
