For we believe that those who die believing in our Lord and Savior, Jesus Christ, will live again. May God give you the needed strength and peace during this time to endure the burden of your loss. Just know, even though you loved him, God loved him best. You know we have all had some great times with Dan. He will never be forgotten for his love to cook and grill, as we loved his secret BBQ sauce he made for the ribs, taking trips and just being there with our family during the good times and in times of grief. He was well known and loved by so many and will truly be missed for his love to fellowship. Always remember sweetie, we love you and will continue to keep you all lifted up in prayer.*
