“ My earliest memory of Danyelle was at North Middle School and many years later, we met again at Kairos Healthcare. She and I worked six years together and everyday working with her was a joy. We had our good days and not so good days. Above all, we had each other to talk to. She was there through my second pregnancy making sure I ate, lol! She would bring me leftovers. Her dad was an amazing cook!!! I have countless memories to cherish. Sending love, hugs, and prayers to the family. Danyelle was a very kind, funny, and genuine person. She will most definitely be missed.

“ Reading the news that you had passed was really shocking, and immediately memories started to rush through my mind, and I was so overwhelmed all I could do was cry.. Growing up, wherever you went, chances are you had two shadows following right behind you, from First Ward to North Middle School, if you were there Ebonie and Mia were too. I know that you are resting with the Father in heaven, so I don't feel as sad. You are truly missed, and if anything I have learned to love on family and friends while they are here, so when they are gone, you won't have any regrets. I love you all, and rest peacefully Cousin..
