“ DaQuaris, I miss you so much. Everyday I wake up and it is a struggle because I have to face the reality that you are gone. Everyday I find myself thinking of you. All the things you used to do, the stupid, but funny things you used to say, and It makes ny heart ache so bad. I hurts to know that I will never hear your voice again, or see your beautiful smile, ou hear you call me "humps", but I do Love You, and I always will. I will work on getting myself together so I can make it to that Heavenly place where I know you are. Look out for us down here, we need it.
