“ I remember the first time Delphine introduced Daryl to me, He was a gentle guy always smiling. He was always authentic. Love was always exhilarating out of his soul, when you came in contact with him and Delphine, You would always come away better. It wasn't always words, but their spirit was so awesome. Well you're back with the love of your life. when we think of you and your beautiful wife, we will always smile. I'm praying today for your beautiful children.

“ Sending prayers and condolences to the family. Praying for your comfort as the days go by. Deacon Pippins was a pillar of Community Temple. He is and shall always be a great man. A man of many talents and a gift and blessing to us all. You often jokingly called me the "new member" and we would laugh. You will forever be our Super Deacon. More than just 2 cents in my eyes. Forever missed and always loved.....Sis Quiana
