“Helen, it's been a while since we've seen Daryl but our hearts can't help but break in his passing.  
Please accept our love and our prayers in knowing he's safe and secure in Gods hands. The host of love ones that surrounded him then and now is enormous, so I know there was no fear in his going. May God continue to bless you all and may He give you comfort in knowing that he will truly be missed by family and friends alike.  
Much Love to you always.
