“ David Brooks, Was my friend, it's hard to come across people like David. Some people comes in our lives for a season, not David, we met in the Army. The Army is the place you really find out person. I've always thank God for David, he had my back and I had his, the amount of trust you have for an individual is unmasked, we had the kinda love for one another, like a brother, really that's how I feel, I've lost a brother but never forgotten. Love & I'm gonna miss you !!!
