“ *Brother David Buck is a true Patriarch for his family in every sense of the word. He cherished his wife, Mary, and unconditionally loved his children and his children's children with the same strength of wisdom. He often quoted Proverbs 22:6 - Train up a child in the way he should go: and when he is old he will not depart from it. Brother Buck you will live on in your children and your children's children. Rest on now, you fought a good fight.*
