“ My husband and I have known Dave for many years after working for him at EDS. He was a great leader and well respected. It was truly a blessing to have known him as a boss and a friend. We will miss running into him while out to dinner and taking a moment to reminisce about the good old days. He will always have a special place in our hearts.

“ I’m so sorry to hear of the loss of this great man, Dr. David Hall. He was one of the first people I met when I moved to Saginaw in 1988, and the first fraternity brother. I don’t recall where I met him, but I do remember he invited me to his home to break bread with his amazing wife. I was welcomed as family from the very beginning and that had a profound impact on me. As I got to know him, he was humble regarding his accomplishments - but I wasn’t. I bragged about him whenever the opportunity presented itself. After leaving Saginaw, I continued to follow him via social media. I was blessed to see him a few years ago while visiting family in Saginaw. He will be missed but never forgotten. Rest in heaven, Nupe! You are a true example of Achievement.

“ To: Jackie and Family,

David H. Hall was a man of unwavering stature in this community. He was kind, firm, and dedicated to serving humanity as evidence by his community service activities. He was a life member of Kappa Alpha Psi Fraternity, Inc. and faithfully served for over fifty (50) years. Brother Hall was instrumental in setting up a scholarship program for the chapter at Saginaw Community Foundation, as well as, a strong advocate of discipleship and stewardship in serving members at Bethel AME Church.

I want Jackie and family to know that this world, however beautiful, was never meant to be the place that we would call our home for all eternity. And though we would not choose to leave, a loving God knows best, and in His time, He lifts us to a place of peace and rest. Be blessed, family, and know that God will take care of you during the loss of Brother David H. Hall.

“ *Jackie - how we both wish we could walk across the street and share our deep felt sorrow with you at the loss of your wonderful David. Being your neighbors for all those years was a true gift. Meeting at the end of the driveway to share a story or two was always a highlight. We truly loved running into you two after you moved away and updating each other on all that had happened since the last time we had seen you. My heart hurts for you and your family. David was the last of a dying breed of true gentlemen. He will be missed by so many, but none more than you. We love you and will keep you in our hearts.
