oh my goodness..this video is so beautiful !!!!! It instantly made me cry..such a loss,so young and only just began. Just remember all of the laughs and memories and continue to keep him alive..His grandma(Berna) and grandpa(Oscar) are waiting to welcome him as well as all of the other family members (and believe me there are a lot of them) To mom and dad just look to God for your strength as He will see you through..I know your hearts are heavy and you feel like you cant go on ,but look to him as he will ease your pain..Cry if you must but remember DeQuaris"s work is done..he has transitioned from Labor toReward(..BTW to the young lady who did this slide show bless you)
