“ My prayers and condolences to the family. I am so sorry to hear about the loss of a dear friend. I hate that i can not be there to say goodbye and celebrate his life. We had some fun and memorable moments growing up in Saginaw. I always looked forward to the weekends, as we were always looking for something to get into. All he had to do is smile and pretty soon you would be smiling and laughing too. To his sisters and family, I miss and love you guys. xoxoxo from Chicago.

“ My condolences goes out to the Brown and Gibbs family of Mr. Dealto. Me and this family goes back to Webber Middle school, where me, Dealto and Tasha went to school at. When growing up I loved to go over to Ms. Patty. We always had a good time. They were all very kind with a good heart. Tasha was like a sister to me and I love her very much. They are all my sisters, my family and who will always be there for them. Dealto was always a very sweet handsome young man, with a kind heart. He loved his family, especially his mom. I can remember the love his sisters had for him, when we were growing up, they were very over protective of him, he was that only brother and their family love was strong. I was very sad to here about the passing of Mr. Dealto. The one thing i can think about when I saw him last, was that beautiful “smile” he had on his face. I know everyone heart is heavy, but remember the 49 years, the Lord gave us all to share with him. Things happen for a reason, we don’t know why, but the lord has the last say. I know he is going to be missed, but always remember the love you all shared with him and the bond you all had for each other. I will continue to keep you all in my prayers. Every time you think about Dealto, think about the beautiful “smile” he had. He has gained his wings, flying high with Ms.Paula. They are together, smiling and watching down on all of you. God know they were loved, but the loved he gives, no one can beat. Love you all❤️God Bless, Christy, Edith, Daniell, Latrice and family!
