“ Oh my god I wasnt expeceted for him to die this soon that was my futured husband.Man he was so fine to me I wanted to talk to him. But I was so shy to talk to him he asked me for my number so I gave to him and he called like 2 or 3 times and we talked. And when he died tears came to my eyes.

“ *Damn....What can I say? One day you here and the next day you gone. The only thing we can do is ask why, but we will never know. The only thing that we will know is that you is in a better place looking down on us, although we wish you was here with us. I want to tell all the family to stay strong and keep god on your side and everything will be all right. Rest In Peace DeAndre a.k.a Six 9 Love Always..... D.Robe*

“ *to the rest of the family be strong at this time cause being weak only makes it worsen,,,I know we all miss him and we all grieving right now but we gotta be strong cause we know that that's how 6 9 is expecting us to be,,,his death is a tragedy but his homegoing is a celebration because we know that he is well taken care of,,,and rather we admit it or not he is in a better place than all of us,,,so may we not cry tears of sorrow but tears of joy because though we say it wasn't his time to go,,,only God can make that decision,,,It's still unbelievable to me that someone as close to me is now in a place where I can't be with him physically, but only in my mind,,,,,they took the life of the wrong person but he gone rest and I know he is,,,I know he is watching over us and hoping we'd straighten up out here but Lord knows we need his encouragement to keep pushing and stay on the right path, all I ask of him is to please help me to make the right decisions cause ever since he been gone all I can think of is negative activity and deep down I know that ain't what's up so I know he gone try to help us to do what's right,,,our only responsibility is to take our footsteps in the right direction and do not wrong but only what the Lord has set out for us to do,,,We Luv U 6'9,,,Till We Meet Again

“ I would like to send my condolences to the family and friends of DeAndre "six nine" Stewart. He was a very close friend to me and it's a trajedy that he left us at an early age, but now he's in heaven looking down on us with no worries, pain, nor suffering. He wouldn't want us to cry for god said it was his time to come home. We shall meet with him again in a better place than this one and he will be waiting but until then, he shall always be with us in our hearts.

“ My heart goes out to you all during a time such as this.I have known this family for some time and you could not even imagine something like this would happen to someone that was such a caring and loving person as this young man God has him know and all we can do as saints is to set ourselves in place and take a different look at how life is .It can be promising if we just say "YES" to his will and just step out of ourselves and let the **HOLY SPIRIT** have i'ts way.So may God move in your lives and make a mighty impact on your life as never before.**GOD BLESS YOU ALL**
