“ *WHEN I HEARD THAT DEBBIE HAD PASS AWAY I WAS GREATLY SADDEN. SHE WAS SO HAPPY ABOUT BEING A MOTHER, AND I WAS HAPPY FOR HER, IT GAVE HER BALANCE. DEBBIE, A FREE SPIRIT AND LOVABLE PERSON. SHE COULD MAKE YOU LAUGH AND MAKE YOU CRY WITH SOME OF HER STORIES. SHE HAD A LEAK IN HR OLD BUILDING AND HER SOUL HAD TO MOVE TO BE WITH HER MOM AND DAD. I MOVED AWAY SOME TIME AGO AND LOST TOUCH BUT SHE WAS ALWAY WITH ME IN MY HEART. SHARON*

“ To Debra's Family: I'm sorry to hear about her passing. My prays go out to your family. We worked together at the plant, it was always a great time when I was around her. I remember one night my husband and I ran into her at Red Lopster in the parking lot, we never did make it in to eat. Last time I seen her was at a car show down town, and she told me she had a son, I got to meet him. Talk about a happy mother, I knew Debra for a long time and she just glowed with love for her son! I always called her D-E-B-R-A. I will never forget you or the times we had. Your friend Crissy

“ I was so sad when i heard the news of my friends passing. Always rememeber that joy comes in the morning. i send my deepest sympathy to each of you scott,ricky,ducky and cookie. i have so meny fond memories of "debra scott" as we always affectionately called her. she never lived inside the box .She could play sports as good as any man. she was our protector in elementary when the girls wanted to kick me and cookie's behind for always running our big mouths, we didn"t have to much to worry about because all the girl's feared her because she was always the tallest her in school. And then when we're down troutden she would use her lustorious voice to bring sun shine to our day. then she fell in love and god blessed her with the most precious gift god could give to any women her babyboy and how he brought so much joy in her life. when allof us was looking foreward to the empty nest syndrome, she was just starting her family. when i think of my friend i think of love and home. love each one of you, dette
