“ I had Demarcus for the past two years. He was a delight and great asset to our classes. He always had a positive attitude and worked very hard at his studies. He had many friends and will be missed by both friends and teachers here at Central High School. I will miss him dearly. He brought much joy and fun to my class!!! I will never forget his ability to make us all laugh. My thoughts and prayers go out to his family. God Bless all of them in their time of need.

“ I had the privilege of teaching Demarcus the last two years. He always brought a smile to my face. Yesterday, our English class spent some time remembering him. One of the things that we will always remember is the way he danced his way into class each day. He worked hard and tried his best. My thoughts and prayers go out to you and your family.

“ Clare our hearts go out to you and your family, and believe that you are in our prayers. Marcus was a smart and bright young man with a grown man heart, He came to visit our church and became a member of Temple Of God c.o.g.i.c., he would show up on Sundays with his little brother DeTreveon and they would sit in church like two little men. Then Clare I remember when Marcus and De came to church with you and Travonna and brother Mosley would ask you to read something (smile). You have wonderful children. P.S. Pastor Smith passed away on September 12, 2006. may God Bless and Keep You. Love the Brown Family.

“ I can not find the words to express my feelings about the loss of my little cousin. I've been searching for the right things to say but can't seem to find the words. All my years of working in the medical field did not prepare me for this. Ciare, I LOVE YOU and please know that I am here for you in any way that I can be. Know that you are not the only one struggling with this. Just remember that he had loved ones waiting on him that are taking real good care of him. GOD will take care of him too. You don't cry alone and remember that your entire family is here to help you through it. Please don't hesitate to call on us. We are here and we LOVE YOU and Marcus. Stay strong!! You have another Angel to watch over you.
