“ Family I know that right now is a hard time for you, but when god put us here he had a job and plan for all of us, and on June 11 Mario job was done and it was time for him to return home. Hes in a much better place now, he touched us all. I remember Mario from middle school at South, no one would ever expect him to leave the way he did.I had just saw Mario like two days before its just so hard. My prays go out to the family and everyone else trying to cope with this lost.

“ Family,
I understand now is one of the hardest times in your life but may God bless you and keep you and I will continue to pray for your strength. I knew Mario from middle school and I understand how he can get at times but just know that you instilled something in him so great, and your teaching didnt go unnoticed. Please know that God still loves you and is always there for you.

“ It was so hard to say good-bye to such a sweet loving person that never did anything to harm anyone. He showed love to everyone he was around and it was a joy having him here. He brought joy to my life every time he smiled and it's still hard to face the facts of him not being here. DeMario had such a good life ahead of him and I don't know why anyone would want to take that away. I'm happy me and DeMario met up before he passed because if we didn't it would have been so much harder. I still can't DeMario go and I'm sure no one can. One good person we had in the world is gone over nothin. To the family I am so sorry for the pain and suffering you've been through these last couple months. My family and I will keep you in our prayers. I love you DeMario and you will never be forgotten. Rest in Peace Baby Boy

“ I know that times are hard but don't let it get you down. Demario is in such a better place now. I know it takes time for you to accept his death, but even though you can't see his face he is somewhere looking down at us. It is so much violence in this world now and he no longer has to be around it. He was a victim of a terrible crime. He was loved by everyone and he still is. So to everybody don't cry because you won't be forgotten. Demario was ready to take on the world and when he left he took a piece of all of us. I know we didn't see it coming but God decided he needed him so even though his seat might seem empty our love for him will not decrease but only grow stronger.

I dedicate this to Demario's loving sweet caring and wonderful family. I can't say I know what you're going through but I can only imagine. You all are in my prayers

“ I KNOW

*I know it is hard for me to understand that you're gone.
However, in my heart and mind I know I have to stay strong.*

*Since the day, you went away.
Left my friend sad and all her thoughts were gray.*

*It is not going to be the same without you hear.
Every time I think about your smiling face, it brings a tear.*

*I know there is nothing to bring you back
but damn if there was I sure would be on track. But damn if there
was I sure would be on track.*

*We still think about you until this day.
We think about the memories and how they all faded away.*

*Even though we didn't know you as a seed.
We will never forget you*
