“ *Denise was my Best Friend and Sister. We shared so many laughs, fun time, joy and even some tears over the past 10 years and we made a lot of memories that I will always have etched in my heart! My life will not be the same without her, and I will miss not having her to talk to and share so much with. Denise touched so many peoples lives in such a positive way and many hearts are hurting because she has left us. She loved her Grandson SO VERY much and I know his little heart is so broken. My sympathy and prayers I am sending to her son's, her Mom and her brother and sister's. And to her daughter-in-law (her oldest son's wife) I would like you to know that when you were taking care of Denise, she told me she was blest to have you in her life because you were an Angel to her!! I thank God that he brought Denise into my life, but God needed an Angel and he only takes the very best, and to God that is exactly what Denise is!! You will be so missed but I will never stop loving you and my Best Friend and Sister. Although this may seem strange, I have a message for Denise, and I know she hears us, Joseph said that he would like you to be there to greet him when he comes to Heaven!! My heart will always be sad your gone, but it will also be filled with all that you brought to my life!*

“ I would like to give my heartfelt condolences to the family of "Grandma Denise" who I had the pleasure of meeting last year while working with her at the International Academy of Saginaw. She was truly a great person who loved God and her boys. I pray that God will comfort the family during this difficult time and be the lifter of your heads. Please know that you are in my thoughts and prayers.

God Bless!!

To her mother, children, and siblings, you have my most sincere condolences. Denise was a true friend to my family and I am going to miss her tremendously. I will always remember her smile and her zeal for life. I am going to miss sitting under my tree with her in the summer and just having fun talking and laughing about everything. I have never had a friend like her and my heart is broken. However, God will not put on us more than we can bear and I will always remember our good times. Know that I am always keeping you all in prayer-Love, Jackie

“ I wanted to see Denise so badly, but did not want to impose on her sacred family time. So I prayed for her and her family. Denise and I go back to elementary years. We were had family ties. May you all know that we talked so much when I worked and she brought her grandson to Kempton. She was a dedicated grandma. May you find peace in knowing she is resting with our Savior. No more pain or sorrows.
