“ So It's Been 2 Long Months, I couldn't find myself writing on here before now because I feel like I'm still in denial 😞 my heart aches for you daily but I still play our last conversation we had the day before you left us in the back of my mind so I'll be okay. It hurts though going from talking to you every single day for 3 years straight to not being able to hear your voice or see your face again 😞 you will forever hold a very special place in my heart that no one will ever be able to fill. I'll always wear these pearls and ring in memory of you! I love and miss you sooo much Desrik forever your Danni😞💔😞

“ My son, Don Warner, met Dez "train" and they became brothers. Any brother of my son is my child! We got to see him only 1 time since he came home but were so excited for him to start his life over. No words can ever explain the deep sadness and sorrow we feel. Tears flow all the time for him! I wish I could have attended his funeral but I didn't know when it was! Prayers for everyone 🙏
