Even though I was just a girlfriend of your son, you and your family treated me as if I was just born into the family. You were a wonderful man and a blessing not only to my life but quite a few others. I miss you. I love you and again I thank you for being such a big factor in my life. May you rest in peace and be a beautiful angel watching over all your loved ones. Love Peaches*

“ First off I would like to send my deepest condolences to the family & pray that GOD will be with you during this difficult time. Von is a friend of my Uncle Jody Nunn and everytime I seen Von it would put a smile on my face cause everytime I seen him I would think about how good this guy could dance. Not only was he a good dancer he was just an all around good guy.... I didn't just look at him like my uncle's best friend, but as family and I know our hearts are filled with grief, disbelief, confusion, pain, and other things right now... just know that he is being greeted in heaven with open arms by members of his family and friends that missed him just as much as we do now. Also remember that when its our time to go he will be greeting us with open arms, a big smile, and a huge hug with the rest of GOD's angels. He will definitely be missed and never forgotten.
