“ I have so so many memories. I this is the one I will share. We were in St. Louis, Missouri for a Blues Festival at Buder Park. We were walking to the car Talking I heard a thump. I looked over at her and she was on the ground with her foot in the muddy water hole in the ground. I laughed so hard I was crying at first she was getting mad at me. Then she busted out laughing and said while you laughing this was your dam shoe that is muddy and broke from that hole. Then she threw my shoe across the park. We laughed so hard. I will miss her dearly.
