“ We will deeply miss Domonique and her charismatic personality. I had the privilege of knowing her through my late husband, Deon W. Watson, who preceded her in death. Domonique was a devoted mother to her three children and a trusted confidant to her younger siblings. We stayed in regular contact, and I last saw her in person in December 2024.

*Although I am unable to attend her service as I reside in Florida, I want to extend my heartfelt condolences to her mother, LaMonique, and to all of her family and friends. My prayers are especially with her three young children, that they may be surrounded by love and care, just as she would have wanted.*

*I will truly miss Domonique. I love her and her dad dearly.*
