“ My deepest prayers goes out to the Anderson Family. I have known Donna since elementary school when we lived in the projects. We were the class of 1983. I got to see Donna when I would come home to visit-she lived across the streets from my mother on Essling Street and she would come over and we would reminisce about old times. To Travion and Dee your mother loved you dearly and you can always remember her warm smile and kind heart. To "Candy" & Family- Trust in the Lord and know that God is Good. He will see you through. May God's Blessing bring you peace and comfort at this difficult time.

“ I just want to offer my condolences to the family and encourage them to be strong in the Lord because He knows best. My spirit tells me that Donna is at peace and assures me that she has accepted Christ into her heart as her Lord and Savior. That alone is a wonderful thing. I love you Donna and I will definitely miss you at the next class reunion.

“ To the family of Donna I would like to express my deepest sympathy to you. Put God first he will give you the support you need. When I first heard that God had took another one of his angles I was very sad then God came to me and said don't be sad just think of those good old times you and Donna had going out to movies and the dances . We would have such a good time. Those memories will be forever in my heart.

“ To Donna's family,  
I truly feel your pains. Donna was that daughter I longed for long before Tjuana came along. She was that first daughter of mine.  
Most godparents are chosen by the childs parents when they are too young to have a say in the selection. Donna chose me to be her "MaMa Jean" and I am so proud that she thought enough of me to want me to be her "MaMa Jean".  
Thank you Donna for being my first godchild. Your place will always remain in my heart. My prayers are with you  
Judy, Thomas, Devenae, Travion, Sheryl, Tony, Candy and the extended family.  
now and always.  
We love you all.

*Jean, Mother, Tjuana & Julian*
