“ The Saginaw Valley State University family extends our deepest sympathy to your family.

I have worked with Donte from the first day he arrived here at SVSU and found him to be a very respectful and honorable young man.

Being in an environment where young people are still trying to find their niche in life, Donte was and still is one of the few "young men" who would come in and seek out assistance.

Again, on behalf of SVSU our prayers are with your family.

“ I was extremely grieved and deeply saddened to learn of Donte's death. I remember him as a kind, respectful student who seemed to find the bright spot in daily situations. He had an uncanny wit about him that allowed me to have few reservations when he chose to address me as "Miss T".

I think that the most difficult thing for a parent to endure is the death of a child. But, there is one thing I do know-- God understands what you are experiencing. He lost His only son so that Donte and all of us who are saved by The Lord Jesus Christ would live with Him eternally.

You are not as those who have no hope.

Be comforted by The Word of God which says, "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord" (II Corinthians 5:8)

Please accept my sincere sympathy at this time and remember Isaiah 41:10 says

"Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will uphold thee with the right hand of my righteousness."

“ My prayer and sympathy goes out to the family. I believe there is truly life after death and Tonya there is no doubt your son is enjoying life among the Angels. He is blending right in because what is bound on earth shall be bound in Heaven and your son was truly a child of God. So I say to the Brown family take pleasure in the time God allowed us to have had the Grace and Abundance of being in the presence of your darling ANGEL. My God be the head of your life and Jesus be that light in your time of storm GOD BLESS YOU and YOURS
