Words are really difficult at this time but do remember God will get you all through this time of grieving, He promised never to leave you nor forsake you. If, any of you are not saved or have not given your lives to Jesus Christ make Doris proud and do it. Get in a good Bible teaching ministry and get involved it will be rewarding.

“ May God be with your family during this time and all your times of need. I loved Doris, she was like a sister to me. We had some good time together. We shared both tears of sorrow and tears of joy. Although I new that she had been sick, I just wanted to not believe it was as serious as it was(that is called denial). The last time we were together, I new she was tired, but she was not giving up. I believe she was holding on for those grandkids. They meant the world to her, as well as all her children. I will new forget my friend "1-800-Doris". That Lady was a great spades player, but an even better friend. I Love you guys and I will try to make it to the funeral. If by chance that I cannot make it, please know that my heart and blessings are with the Bonner family.
