*To the family of Doris Moultrie
May God bless and keep you during this time. Ms. Doris was a wonderful person I really got to know her during the time I was working at the BV Community Center Parks & Recreation Dept and she was the secretary for the P&R board. I remember our conversations and her smile that she always had whenever I would see her. It has been years since we spoke to one another, but I will have a lasting memory of Ms. Doris always. Rest in peace beautiful angel. And for the family she is always watching over each one of you.*

“ *The last 7yrs of spending time with you has been very special to me. I will always remember your last visit to Dallas in which you told me you wouldn't have missed that visit (Chaun'terria's graduation) for nothing in the world and God made away for that to be so. Your support, your smile, love and friendship will be truely missed. No matter what your day may have been like you always found encouraging words of advice to share with me whenever I called and whenever you were in town. I love you dearly.*
