“ To My Friend Diane,
I'll remember you the way you are-quite comical and lots of fun-
always making me and others laugh from your wholeheartedness-
you were always a good friend as well as a sincere friend. When we
met it was like we had knew each other all our lives-our friendship
grew and became to be a winning one. I'll always keep you in my
heart and shall love you always as the friend you were to me. May
god be with you always and may you rest in peace.

Always, your friend Rose
