RIH Dorothy, God had me today to check the obituary and I saw your beautiful picture. You became part of our family in the 40's when your mother moved back to Grand Rapids. My Step- mother, Lillian Evans became your mentor letting you moved in so you could continue to go to school here in Saginaw. All the young girls in the family would be waiting for you to come downstairs so they could see what color of wig you'd be wearing. So long for now until we meet again.
