For my birthday last year, she bought me a big hat, suspenders, and a beautiful set of cuff links. Cousin Dorothy always said, “I’d do anything for my cousin Book!” I love her like a sister.

“ Auntie, losing you behind Uncle Lionel was another blow to our family. But I guess overall the both of you couldn't be without each other. I know he was waiting for you and I know you're both angels for God. I can find that bit of silver lining in the pain of losing you. I love you, auntie. I'll miss your laugh and you and daddy playing the dozens on each other.

The last time we saw each other y'all did the hilarious little banter and I will hold that in the memory of my heart forever.

To my cousins, Lionel Jr. and Bryant, I love you so much and we're always here for you. That's what family is for.

“Cousin Dorothy, I am grateful that I had the opportunity to hear your voice and talk with you last month. Time had gone by since we had the opportunity to talk, but I am grateful in the right time, I was led to call you. We had a great conversation and shared many laughs. That moment I will remember and cherish always... You are a special angel around God's throne. To my third cousins, we are holding you close in our thoughts and prayers. During these times remember these words:

"Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand" Isaiah 41:10.

"Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths" Proverbs 3:3-6.

"Casting all your anxieties on him, because he cares for you" 1 Peter 5:7.

Be comforted,

Cousin Dorothy. I am extremely saddened at the news of your homegoing. I will always remember your visits to Blytheville when we were children, how my mother Hattie B so loved your stays at her house throughout the years, and how me and Lucy would happen upon you and Johnnie Mae's sneak visits to party with Jake and managed to get in on the fun. The time you, your sis and your husband picked me and Jake up on the drive to our family reunion was quite an awesome road trip. You always looked a lot like your auntie Luisa, but I will always remember you for who you are...one BEAUTIFUL SWEET COUSIN! I know life without your life partner and the love of your life would have been so difficult for you and maybe that's why you left so soon. You're together once again in your new home on high, but I know that both your s❤️❤�isters Johnnie Mae and Ella Jean are missing you so much. You three were like 3 sisters always and I admired your relationship always. Cousin you are FOREVER in our hearts.❤️❤️❤️

“ Rest in Heaven Aunt Dot Jean I will cherish our conversations about my Dad forever. I will always love your fun personality with raspy voice, u are definitely one of a kind. I'll forever cherish the memories of me taking pics in your backyard of u, My Dad, Johnnie Mae, Ella Jean and Will Earl. I'm Glad u have reunited with your soul mate Uncle Lionel, one of the best cooks and wine makers in Saginaw. All three of u are my three musketeers forever. You all have the strength of super hero's. U will be missed greatly, thank u for your genuine heart and spirit. I'm pleased to know u are reunited with your parents, brothers and husband. That gives me peace. U are one of the coolest Aunts, and always welcomed me when my Dad brought me by. My prayers definitely go out to my Cousins Lil Lionel and Bryant, be strong 💪 Cousins, God is covering you through this storm. Will Earl I love u as well and sending u lots of love. Aunt Ella Jean and Aunt Johnnie Mae sending you lots of love as well. The Banks/Terrell Family shall live on forever!❤️❤️❤️
