“ Ms. Doris was the hardest working woman I’ve ever known. It was always a pleasure working with her. I absolutely learned a lot from her. She treated me like I was her own. The talks were real. I just wish I was able to keep in touch with her after moving out of Saginaw. My heart goes out to her daughters and the family. She will be truly missed because she was most certainly loved and highly respected.

Rest Peacefully

“ Heaven definitely gained one of the greatest angels of all time!! You taught us and showed us all that hard work pays off, your labor and work spoke for itself!! We walked those hospital halls many moon’s laughing, joking, crying, and uplifting each other, I’ll never forget you and that you did for me and my little ones!! Thank you so much for sharing YOU with us, it was always real love shown, you was a bonus mom that always told me what I needed to hear not what I wanted to hear!! You was so kind and always spoiled the residents, give anybody anything if you had it, and I love that for you because I know when you put on that ROBE, all that you’ve sowed will be added unto you!! I love you Ma Doris Ann and I’ll see you later!! ~ Marie ❤️❤️❤️
