“ Edward has been the glue to this family and I am extremely appreciative of him being in my kids and our lives. Always available in time of need and whenever he wanted the kids they were always there for him. Three peas in a pod and a packaged deal. This is still very difficult to process but we We will get through it together. He will forever be a part of my life, my kids lives, and whoever in my circle...

“ Hi Stephanie
I hope you remember me. My daughter and I meet you at the hospital when your dad was there. We so much enjoyed talking with you. I am so very sorry for your loss. We unfortunately lost our Jerry also on Thursday 😞. We are going through absolute hell as I am sure you are too. We will hold you forever in our heart.

“ *To the Brown Family, I'm so sorry for your loss. May God give you strength in this difficult time. He was such a sweet man and could always make me laugh. I'll never forget how he would always say my name "Jennie" like Forrest Gump. Also, he took this city girl fishing for her first time. I'll never forget his kind spirit.*
