“ *First off I have to say Ms. Valerie, Tracy, I'm so sorry for your loss. I know how much Edris meant to you. You guys are in my thoughts, prayers, and in my heart. I still love you both very much. There is so much I can say about Edris...He was someone I loved, I cherished, and someone I will never forget. I was so saddened and shocked to hear of his passing, that I can not put it into words. Even though Edris and I were far apart, I never forgot him and the importance he had in my life. He was my first and only husband, the love of my life, the father of my son, and the first man my daughter ever called Daddy. The passing of Edris was so unfortunate, and untimely, and I never got a chance to tell him everything I really felt. So my message to all is tell your loved ones how you feel, tell them how much you love them, because you never know when you may never get that chance . Edris, I never stopped thinking about you, and I will hold your memories in my heart forever. I also vow to make sure that your son Donavyn knows exactly who you were and everything about you on down to your silly laugh. Rest in Peace Edris, We love you, Love always, Yolanda A. Bennett-Hill, Donavyn C. Bennett-Hill, and Jayde C. Bennett*

“ Well, I don't know where to begin, but I must I say It's really hard to say goodbye to Edris, we grew up together our mothers were like sisters, and my aunt Debra was his aunt Debra. The times we share together were always fun, we would get on Val, and Debra's nerves constantly. They would be hollering stop "Mishia, don't do that Edris, Tiff get over here and we would still continue to do what we were doing. It will take a while to mend a broken heart Val, and Tracy. But always remember that if you can look up, you can get up. And GOD will never put something on you that you can't bear. So, be encouraged no matter what's going on, he'll make it alright but you gotta stay strong.

“ To Valerie and Tracy, I am deeply sorry for your loss. I will miss Edris every day. He was very special to me. We shared a lot of happy times over the past year or so. We spent a lot of late nights talking and playing dominoes. We talked about a lot of different things, but mostly how much he loved his family. He will never be forgotten. I know that I will carry him with me forever. Both of you and his entire family will continue to be in my thoughts and prayers.
