“ I would Like to express my sincere condolences to Mr. Elijah Noble's family. We were neighbors for 40+ years. Mr. Noble would always greet you with a warm smile every time you would see him. My parents lived two doors down from him and I use to love when he would BBQ because it would smell so good, I also loved his sharp cars. Terry I pray that you and your family fell God's love, comfort, and strength in Jesus name amen,

“ To my cousins, father, uncles, and aunts:

You can shed tears that he is gone or you can smile because he has lived.

You can close your eyes and pray that he'll come back or you can open your eyes and see all he's left.

Your heart can be empty because you can't see him or you can be full of the love you shared.

You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday.

You can remember him and only that he's gone or you can cherish his memory and let it live on.

You can cry and close your mind, be empty and turn your back or you can do what he'd want - smile, open your eyes, love, and go on
