“ *As a tribute to Mother Williams,*

To the family, Friends, and to Mt. Sinai Baptist Chorch:

Psalms 90:10 (O.T.) "The days of our years threescore and ten; and if by reason of strength they be fourscore years, yet is their strength labor and sorrow; for it is soon cut off and we fly away".

In the New Testament please read II Timothy 4: 6,7,and 8 verses. " For I am now ready to be offered, and the time for my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord , the righteous judge, shall give me that day: and not to me only , but unto all them also that love His appearing".

“ *I would like to say thank you to all the people who has been a positive influence in my grandmother's life. I really want to tell my grandmother that I LOVE her and she will always be in my heart. To all my family members(except James Clark), I want to say that it might take a while to get used to her being gone and we will miss her but we have to understand that she is out of pain and she is with her mother and husband....she's home again...I Love you
Grandma.....Taherra (Abdullah) Warren*

“ Grandma Elizabeth,
I was truly blessed that on 11/7/1961, I was born to my parents Rosetta and John. You embraced and touched my life since infancy. You have been an integral part of the 46 years of my life that I have been honored to have you as my Grandmother, bestfriend, prayer partner and someone I could say in my life never left me alone. You always found comforting words of wisdom, laughter and joy. I will remember the lessons taught by you and you will forever be in my heart. I always told you I love you, and you would always tell me you loved me back. You are not here physically because you gained your wings and flew home to Jesus. For this I am selfish, and glad at the same time. I miss calling you just to see how you are doing and hearing your sweet voice at the other end of the telephone. I know that God will heal my sorrow and give me joy and peace in my heart. I miss you Woo, thank you for showing me love, kindness, peace and a true understanding of how to be compassionate to others. You were/are my blessing in life and I want to say "Thank you". You are with the Lord Jesus Christ and I am thankful. No more sorrow, no more pain. You are my Woo and I will miss you greatly. I will tell my grandchildren about you and you will never be forgotten and your examples of how to be a Grandmother will live on through me. Thank you for the lessons in life. Thank you for taking me to church as a child. Thank God for allowing you the precious time he allowed you to be in my life.
Love your Jo-Jo.
