“ My dearest Granny my heart is so heavy right now. Words cannot express the amount of love that you have given me. I will always remember your words of wisdom that you instilled in me at a very young age. You always had positive words of advice for me no matter what. The sight of your face always brightened my cloudiest days. I am trying really hard to keep it together and be there for my Mom like you told me to do. You will always and forever be in my heart and soul. I LOVE YOU!!! I know that you are in a better place, I am just being selfish wanting you here with me. I know that you are up above with my Daddy and Lewis looking down and protecting me.

LOVE, YOUR NAMESAKE,
TANELLA

“ To the Bradshaw Family, my thoughts and prayers go out to all of you. May God give you the comfort that you need during this time.

Mother Ella Mae was a Dear, Sweet Woman, who treated me like her own Grandchild when I was growing up, as Trina was my best friend and constant hang-out buddy. :-) Mother Ella Mae always gave me a warm smile, good food to eat, and loved on me like I was family. I will always remember her warm smile. She exemplified TRUE Womanhood. I will always treasure those memories.

Heaven is better, now that Mother Ella Mae is there.

Much Love,

“ *Granny Ella Mae Bradshaw*
Thank you for the gift of love, now you're sharing it in Heaven. You had many things to say, all in a caring way. You always saw good in everyone, no matter what they've done. You were always the one we could all lean on. Even though it must felt like a ton. You were always the strength of the family. Now we must let you rest calmly. As we say goodbye, as tears roll down our eyes. I know your place in heaven has a good view. Because you're telling GOD, I need to keep an eye on a few. I know you will always be in our hearts and mind. So Granny, I must go, but I'll never forget you're one of a kind. Love you Granny Ella Mae R.I.H.

“ To the Bradshaw family,
what a wonderful example of a mother,
grandmother(granny)greatgrandmother,wife, neighbor and friend.
my mind always takes me back to a time when things were not so
complicated. A time when we spoke to each other instead of texting.
When young people respected their neighbors. When we were
afraid to curse too loud on the way home because Ms. Ella Mae
might hear you and call mom or dad before we got there. When her
and Mr. Bradshaw would pack all those kids in that blue station
wagon early Sunday morning and make sure everybody went to
church. I miss that time. we're older now but we can't say we were
not shown the right path. Even if some of us chose not to follow it.
RIP Ms. Ella Mae. Job well done!!! George Drain (9th and burt)

May your memories give you strength.

“ We would like to express our sincere sympathy at the loss of Ella Mae. We will always remember all of the fun we had growing up. Our mothers were more like sisters rather than cousins so our families spent alot of time together. You could always count on Ella Mae to have a smile and warm words every time you would see her. I really believe that our mothers are reunited in heaven. In the sorrowful days ahead always remember that God sees and cares, He's will help you in your darkest hour. God is our refuge and strength, a very present help in trouble (Psalms 46:1). We love you and are praying for you.
