I am so sorry I was not able to the attend the memorial service but I did see it on the website. It was a very nice home going. Roslyn you spoke so many kind memories about her. those memories will get you through this most difficult time the love you all shared together as a family grand children great grands" May God give you all strength. Knowing that you did all you could really makes it easy. She just flew away peaceful like a dove into the arms of her heavenly father.
