“ HER EYES

*Gone are the eyes that watched me grow
The eyes that were able to see into my soul Together we climbed
mountains and made it through the pain Only to find out that
someday it would be forever changed*

*As you've gotten weaker, I've gotten stronger Able to take care of
myself even though I didn't want to*

*You'd be proud of my wit, my confidence and my charm
People say I'm just like you and I know all about your charms
The eyes are in my heart, the eyes that saw my soul But gone are
the beautiful eyes, the eyes that watched me grow*

YOU WILL BE TRULY MISSED

“ *Its only been a few minutes but seems like an eternity to me.
I miss my Grandma already and I wish she had stayed here with
me.*

*Its only been a few hours but a million tears I have shed.
I long to hear her voice say my name and hold my hand as she
always had.*

*Its only been a few days but my heart aches so bad. I know she
would say ...Please don't be so sad.*

*Its only been a few weeks but I still sit and wonder if she knew I was
there and how much I really cared*

I will love and miss you for eternity.

“ Grandma,
A baby cradled in your arms...
Teaching me your gentle charms.
Growing up with you by my side...
Learning from you never to lie.
To understand and not judge too...
Love and kindness I also learned from you.
Through the years you watched me grow...
Teaching me everything I'd need to know.
Listening to every word I've said...
And every word I've wrote you've read.
You've been there for me to the end...
Until the day for you, God did send.
Now you watch me from up above...
Shining down on me your heavenly love.
I will miss you with all my heart...
Thank you for being there from the start

I will always remember and love you grandma.

“ Tonya and family,
We're so sorry to hear of the passing of Ms. Banks. She was indeed a beautiful woman who was one of the original mothers of 9th/10th and Burt street. She always carried herself with class and grace. She set a wonderful example of how a mother extends her love to her children, her grandchildren, her great grand children and God blessed her to see her great great grand children. May she rest in peace after the great life she lived on this earth and may her offspring remember the life lessons that she taught along the way. Be blessed!!

“ *If Grandma had a meaning,
let me tell you what it'd be.
if you were close to yours
like mine was close to me.*

*Grandmas are always there
to lend a shoulder and dry your tears.
to comfort you in everything
and help conquer all your fears.*

*Despite all the wrong you've done
and all the wrong you'll do,
a grandma will always be there
and unconditionally will love you.*

*A grandma will inspire you
to follow your every dream
she tells you "you wont be alone"
because you're going to be a team*

*Grandmas are always busy
although their hearts are tame
they tell everyone about you
so everyone knows your name*

*Without grandmas we'd be lost
and our tears would not be dry
and we would not be encouraged
to spread our wings and fly*

*To my grandma I say "Thank you"
My heart will always be
with you every day, and I know
you're here with me.*

“ Grandma,
Thank you for the gift of love,
now you're sharing it up above.
You had many things to say.
All in a caring way.
You always saw good in everyone,
No matter what they've done.
You were always the one we could all lean on.
Even though it must have felt like a ton.
You were always the strength of the family.
Now we must let you rest calmly.
As we say goodbye,
as tears roll down our eyes.
I know your place in heaven has a good view.
Because you're telling God,
I need to keep an eye on a few.
I know you will always be in our hearts and mind.
So Grandma,
I must go, but I'll never forget you're one of a kind.

“ *I Miss You Grandma,*

*I think about you all the time,
And everyday it hurts to cry.
So much has happened in my life,
I'm not sure how hard to try.*

*Tears are falling constantly,
My heart hurts everyday.
I think about your beautiful smile,
That I pray I see again someday.*

*The sweet smell of your perfume,
Has slowly faded away.
But all your helpful teachings,
Are always here to stay.*

*I can't express how much you taught me,
So much I can't explain.
All the times I can remember,
Never once heard you complain.*

*So many hearts were broken,
The day God called you home.
It seems as though each one of us,
Were left to survive alone.*

*I know there was a reason,
That you had to leave.
To keep us in your watchful eyes,
So now in God I really do believe.*

“ Grandma Banks,

*I'm really going to miss You
It's really going to be different here without You
Life is going to be hard and I am sure You know.*

*And for the rest of my life
I'm going to be thinking about You
I knew the time would come when you had to go
But I did not know, the day or the hour
I'll miss you my buddy & my friend
I promise my love for You will never end.*

*In your finest and last hours I was there with You
And without You things won't be the same
But there's a Higher Power that we answer to
And You heard him calling your name
I know there is no more sick & pain.*

*I'm really going to miss you
Everything about you
I can still see Your smiling face.*

*I know You want us all to be strong
Because I know Your among others near that magical throne
Singing and dancing to a brand new song.*

I'm Really Going to Miss Youuuuuuuuu!!!!!!

*I will Love You for life, thanks for showing me what a Grandma is
suppose to be!*

“ Dear Grandma,
I'm gonna miss you more than you know. I know we havent been close this past year and that is one thing I regret. I'm thankful for the trips we took & the talks we had while grubbing on good food since that's what we both loved the most, it was fun I wish we could have that experience again. You may not realize how much I loved you but you were and still are my grandma. Every time I hear those Christmas songs you use to sing while dancing around the house I'm gonna laugh and sing along while joyfully dropping a tear or two. I would give anything to get one of those Grandma hugs and the chance to want to run away because you embarrassed me in front of my friends again :) There's a lot of things I'm gonna miss but most important is you. I know you're still here in my heart and everyone else's to. I hope your happy with Grandma Frankie & Granddaddy Banks. Take care of my baby boy for me. I'll see you all when I get there.
Remember its not goodbye; it's just a see you later..
