“ I remember my father taking me over to cousin Essie's house and me thinking that there wasn't going to be anything for me to do. But I allways had a good time once I got there, I would hang out with Mr. Archie in the basement, me and my cousins got to drink pop and shoot his B.B. gun. I just remember watching the family play cards and be together. Cousin Essie would come over to my godmother Lee Etta Bowman's house during the holidays to listen to music and have a good time with family. I will miss her dearly.
