“ *Dear Debra, Victoria and family,*

I am so sorry to hear of Daddy Gene's passing. He was a wonderful person and I am truly a better person for knowing him. I can not express what an impact talking to him had on me. Sitting in his room' listening to him speak of his life and getting advice from him. Even making small talk with him was a pleasure. I will always remember what a kind, giving person he was.

“ To the entire Guster Family, Deb and Victoria

I am deeply sorry to hear of the passing of your father one of the finest men I ever meet and truly a loving, kind soul. Daddy Gene welcomed everyone into his home, gave all he could to many and never asked for anything in return. My brother Bernie and I were honored to know not only him but the Guster family. I will fondly remember the hot summer days when he jumped into the pool when the grass was cut or the making of the best BBQ sauce in all of Saginaw.

God Bless all of you!

“ To Deb, Vicki, Laura Ann and the entire Guster family. You are in our prayers. We will miss our cousin dearly. He has been an inspiration to our family. I have several memories of our beloved cousin. I remember being a student at Saginaw High and my cousin wanted me to get to class. He just wanted me to get a good education and be successful. He is part of the reason that I endured my educational attainment. You will be surely missed. We know that you will be surely favored in your journey. God bless the family and we know that you will found strength to carry on. We my heartfelt love.

“ Dear Guster Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18, Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians4:7)

“ "Nuge" I will never forget the many nights we sat up playing cards and drinking Pepsi after you got home from working second shift. I will never forget that you stopped playing Coon with me when I won three hands in a row. I will never forget the Pinochle marathons we had whenever we could get enough folks together. I will never forget the good times or the bad times that our families shared. That bright shining star that was Eugene Guster, Sr. (Nuge) will be greatly missed.

Love Always,

Kat

“ *In loving memory to an uncle (who treated us like he was a blood relative, instead of an in-law). Countless times we spent the night with my late Aunt Georgia, Uncle Gene, cousins Larry, Deb and Vick when my Mother was hospitalized. He always treated us with respect and dignity. He also happened to make the best B.B. Que on the planet! He continued to do it for his nieces and nephews as long as he could. The Manzies (Otter, Jr., Curtis "A.C." and Georgia "Lois" will miss you profoundly and will always love you.*

My thoughts and prayers are with all his children (Deb and Vick) and his grandchildren (Gina, "Dee" and Chrisy"but (especially Victoria, who lived with him along with her Mom Deb). He was so proud to live to see his first great-grandchild.

May God embrace you and give you all the strength to make it through this difficult time.
