“ *The Busbee Family, decedents from Wadley, Alabama, Pontiac, Michigan and Dayton, Ohio extend greetings. Sorrow fills our hearts at this sad moment, a sorrow that is deep and personal.*

As we gather for our Busbee family reunion in LaGrange, GA in June, we will share the news with all of those who know the family and regrettable, may not have had the opportunity to meet and know Eunice. Hopefully, we will meet other family and learn more about Eunice.

As I grew up in Pontiac, we visited the family in Saginaw many times when Eunice was a small child. Memories of the visits with family will always be in my heart.

*Blessings to all of you,

“ My prayers are with the Hall & Nash Family. God, Eunice was my classmate back at Arthur Hill. It sadden me to know one of my classmate it gone. Even though its been years since I seen her. Looking at her picture she looked the same as, she did in high school. I remember Eunice played one of the Pointer Sisters in a talent show back at Arthur Hill and did the song Yes we can can. It was the bomb! her and some more of our classmate. I think it was for Black History month, it was just a few of us Blacks at Arthur Hill then. I know they blew those other classmates mind. We had some good time back then. We had clean fun and nice parties. We knew the Lord too! and we loved our churches. Eunice was at Tabernacle and I at Zoin of course it was who had the best youth choirs. Eunice, could sang(smile). I know God got a good person when he pick Eunice. Sing! for Jesus Eunice!!! Tell my Mama I said hello and I miss her for me. William D.Cooper(aka, Peter Cooper).

"She Answered Yes"

*A simple call was made and she said yes
For God knew that Eunice had given her best.*

*So now she must go to the house that was prepared,
By her love for God and the heart that she shared.*

*So family take warmth in knowing that her spirit is free, and
Know that forever-more her soul is at peace.*

“ Eunice, We were IBTC and CBA-Cool Broads of America. We didn't stop laughing until we started coughing and then we laughed at each other coughing. We fell in and out of love but it was no big deal. None of them were good enough for us any way. But love didn't let us down. We had children and love lived. We had our friendship and love lived. We had our memories and love never failed. I know that when you open your eyes again, your very next thought will be in the presence of love. Look for me. I will be somewhere nearby laughing and coughing.
